Overview

Dr. Kumar Satyakam is a distinguished Orthopaedician based in Kolkata, West Bengal, with a decade of extensive experience in the field of orthopaedics. He holds a reputable academic background, having completed his MBBS and MS in Orthopaedics from the esteemed IPGME&R, which is affiliated to the West Bengal University of Health Sciences (WBUHS). As a dedicated healthcare professional, Dr. Satyakam is committed to providing comprehensive musculoskeletal care with a focus on both surgical and non-surgical treatments. He is proficient in multiple languages, including English, Hindi, and Bengali, which allows him to effectively communicate with a diverse range of patients.

Dr. Satyakam values patient education and strives to ensure that each of his patients is fully informed about their conditions and treatment options. His practice as an exclusive partner in the orthopaedic specialty reflects his commitment to delivering high-quality care tailored to the unique needs of each individual. Dr. Satyakam stays current with advancements in orthopaedic practices, ensuring that his patients benefit from the latest techniques and technologies. With a patient-centered approach, he fosters a compassionate environment where patients feel comfortable discussing their concerns and expectations. Whether addressing sports injuries, joint pain, or complex surgical cases, Dr. Kumar Satyakam is dedicated to guiding his patients towards optimal recovery and improved quality of life.
