Overview

Dr. Mrithyunjaya Kalmath is a distinguished Cardiothoracic and Vascular Surgeon Specialist at Apollo Hospitals CBD Belapur, Mumbai, with a decade of experience in the field. He holds an MBBS, MS, DNB in General Surgery, and an MCH in Cardiovascular and Thoracic Surgery, complemented by prestigious fellowships from the Association of Indian Surgeons (FAIS) and the American College of Surgeons (FAICS). His extensive training and expertise enable him to perform complex procedures, including coronary artery bypass grafting, valve repair and replacement, and minimally invasive cardiac surgeries. Dr. Kalmath is deeply committed to advancing medical knowledge and practices. He actively participates in research initiatives and contributes to academic discussions, presenting his findings at various national and international medical conferences. His dedication to innovative treatments and patient-centered care ensures that his patients receive the highest quality of healthcare tailored to their individual needs. Fluent in English, Hindi, Kannada, Telugu, Malayalam, and Marathi, Dr. Kalmath effectively communicates with a diverse patient population, fostering a supportive and understanding environment. His unwavering commitment to medical excellence and compassionate care makes him a trusted choice for patients seeking cardiovascular and thoracic surgical interventions.
