Overview

Dr. Neville Solomon is a highly skilled Paediatric Cardiac Surgeon based in Chennai, Tamil Nadu, boasting an impressive 25 years of experience in the field. With a comprehensive educational background that includes an MBBS, MS in General Surgery, and an M.Ch in Cardio Thoracic Surgery, Dr. Solomon has established himself as a leading expert in treating congenital and acquired heart conditions in children. He is proficient in multiple languages, including English, Tamil, and Hindi, allowing him to effectively communicate and connect with a diverse patient demographic.

Affiliated with Apollo Hospitals, Dr. Solomon specializes in Paediatric Cardiac Surgery, where he utilizes state-of-the-art techniques and a compassionate approach to deliver optimal care. His dedication to advancing paediatric heart health is evident through his meticulous surgical skills and his commitment to ongoing professional development in this rapidly evolving medical field.

As a male surgeon who is passionate about making a difference in the lives of his young patients, Dr. Solomon is known not just for his surgical expertise but also for his ability to reassure anxious families during challenging times. His clinic is a trusted haven for children suffering from heart-related issues, where he works tirelessly to ensure each child receives personalized treatment and support. If you are looking for a highly qualified and experienced Paediatric Cardiac Surgeon, Dr. Neville Solomon is an

excellent choice.

Frequently Asked Questions

1. Where does Dr. Neville soloman practice?

Dr. Neville soloman currently practices at Apollo Children Hospital, located in Chennai.

2. Who is Dr. Neville soloman?

Dr. Neville soloman is a highly experienced Paediatric Cardiac Surgeon with 25 years of expertise in the field. He is known for providing exceptional patient care and advanced medical treatments. His areas of expertise include Open-heart surgery for congenital defects, Valve repair and replacement. He also treats conditions such as , Patent ductus arteriosus.

3. Why do patients choose Dr. Neville soloman?

Patients trust Dr. Neville soloman for his expertise, patient-centric approach, and commitment to providing the highest standard of care. He is well-versed in the latest medical advancements and ensures personalized treatment for every patient.

4. What is Dr. Neville soloman's specialization?

Dr. Neville soloman specializes in Paediatric Cardiac Surgery, with expertise in treatments for Open-heart surgery for congenital defects, Valve repair and replacement.

5. What are Dr. Neville soloman's medical qualifications?

Dr. Neville soloman holds prestigious qualifications, including MBBS,MS (Gen. Surgery),M.Ch (Cardio Thoracic Surgery).

6. How many years of experience does Dr. Neville soloman have?

Dr. Neville soloman has 25 years of experience in the medical field, treating various conditions related to Paediatric Cardiac Surgery.

7. How can I book an appointment with Dr. Neville soloman?

You can book an appointment with Dr. Neville soloman through: Online: Visit <https://www.apollohospitals.com/book-doctor-appointment/> to schedule an appointment.
