## Overview

Dr. Nishchint Jain is a highly skilled and experienced neurosurgeon based in South Delhi, Delhi. With over 10 years of dedicated experience in the field of neurosurgery, Dr. Jain has established himself as a leading practitioner in his specialty. He holds a prestigious qualification of MBBS, MD, DNB, and DM from AIIMS, ensuring he is well-equipped with the latest medical knowledge and surgical techniques. Dr. Jain is proficient in both English and Hindi, allowing him to communicate effectively with a diverse patient base. At Apollo Hospitals, Dr. Jain focuses on providing comprehensive care for various neurological conditions. His expertise encompasses a wide range of neurosurgical procedures, from minimally invasive surgeries to complex brain operations, aimed at improving the quality of life for his patients.

Through a patient-centered approach, Dr. Jain prioritizes the needs and concerns of those he treats, fostering a supportive and informative environment. He is well-regarded for his attention to detail and meticulous surgical techniques, which have contributed to successful outcomes for many patients. Dr. Jain is also committed to continual learning and staying abreast of the latest advancements in neurosurgery, ensuring that he offers the most effective treatment options available.

If you are seeking expert medical advice or treatment for neurological disorders, Dr. Nishchint Jain is a knowledgeable practitioner dedicated to your health and well-being.

# Experience

## WORK EXPERIENCE IN INTERVENTIONAL NEURORADIOLOGY

- ALL INDIA INSTITUTE OF MEDICAL SCIENCES: Worked as post DM SR in dept. of neuroimaging and interventional neuroradiology at AIIMS wef 13/07/2017 to 03/04/2018. During this period I have performed over 150 therapeutic neurointervention cases as an independent operator whereas assisted in nearly 500 cases. Cases included complete set of neurovascular disorders including cerebral aneurysms, cerebral AVM/dural AVF, spinal vascular malformations, carotid stenting, acute stroke mechanical thrombectomy and tumor embolization.
- ARTEMIS HOSPITAL GURGAON: Joined as additional consultant in department of neurointerventional surgery and neuroradiology wef 14/05/2018 to 31/04/22. During this period I was part of team involved in therapeutic neurointerventions. The team was also responsible for management of outpatients as well as inpatients admitted under department of Neuro-interventional Surgery and Stroke Neurology. In present capacity I independently performed complete spectrum of therapeutic neurointerventions as primary operator (more than 250 cases as primary operator).
- INDRAPRASATHA APOLLO HOSPITAL: Joined as consultant in department of interventional neuroradiology wef 01/08/2020 to present. At this hospital I am responsible for complete spectrum of neurovascular interventions including acute stroke interventions. In addition I am providing neuroimaging consults as and when required.
- VISITING CONSULTANT: I have been a visiting consultant for at FORTIS hospital Shalimar Bagh and INDIAN SPINAL INJURY CENTER (ISIC) Vasant Kunj

# Membership

- International Member-in-Training of Radiological Society Of North America Member of Indian Society of Vascular and interventional Radiology Member of Indian society of Neuroradiology
- Member of Society of Therapeutic Neurointervention

# Awards

- Member, Environmental Health Technical Advisory Group of International Pediatric Association ( IPA ) 2013-2019
- Member, Technical Advisory Group of South Asian Pediatric Association ( SAPA) 2019-2021

- Dr Deshpande Oration of Telengana State Academy of Pediatrics 2019

## Frequently Asked Questions

### 1. Where does Dr. Nishchint Jain practice?

Dr. Nishchint Jain currently practices at Apollo Hospitals, located in Delhi.

## **2. Who is Dr. Nishchint Jain?**

Dr. Nishchint Jain is a highly experienced Interventional Neuroradiologist with 10 years of expertise in the field. He is known for providing exceptional patient care and advanced medical treatments.

## **3. Why do patients choose Dr. Nishchint Jain?**

Patients trust Dr. Nishchint Jain for his expertise, patient-centric approach, and commitment to providing the highest standard of care. He is well-versed in the latest medical advancements and ensures personalized treatment for every patient.

## **4. What is Dr. Nishchint Jain's specialization?**

Dr. Nishchint Jain specializes in Interventional Neuroradiology, with expertise in Endovascular Coiling, Carotid Stenting, Embolization Therapy, Mechanical Thrombectomy, Vertebroplasty.

## **5. What are Dr. Nishchint Jain's medical qualifications?**

Dr. Nishchint Jain holds prestigious qualifications, including MD(Radiodiagnosis), MBBS.

## **6. How many years of experience does Dr. Nishchint Jain have?**

Dr. Nishchint Jain has 10 years of experience in the medical field, treating various conditions related to Interventional Neuroradiology.

## **7. How can I book an appointment with Dr. Nishchint Jain?**

You can book an appointment with Dr. Nishchint Jain through: Online: Visit
