Overview

Dr. Pallavi Agrawal is a highly skilled Infertility Specialist based in Bhopal, Madhya Pradesh, with over 16 years of extensive experience in the field of obstetrics and gynecology. A dedicated professional, Dr. Agrawal graduated with her MBBS from the esteemed Ganesh Shankar Vidyarthi Medical College in Kanpur, where she excelled academically. She continued her postgraduate education in obstetrics and gynecology at Mahatma Gandhi Medical College in Bhopal, where she honed her clinical skills in one of the busiest hospitals in the region.

Recognizing the importance of further education, Dr. Agrawal completed a senior residency at the prestigious Postgraduate Institute of Medical Education and Research (PGI) Chandigarh from 2008 to 2011. During this time, she gained in-depth knowledge and additional training that greatly enriched her clinical expertise. Her passion for teaching led her to serve as an assistant professor at Aurobindo Medical College in Indore, where she educated medical students on various operative procedures and the latest medical technologies.

Motivated by the increasing prevalence of infertility issues in society, Dr. Agrawal pursued a certificate course in fertility and laparoscopy, further enhancing her qualifications. She is currently affiliated with Apollo Hospitals, where she serves as the Head of Apollo SAGE Fertility and has been promoted to

Associate Professor in Reproductive Medicine. Dr. Agrawal is fluent in both English and Hindi, allowing her to connect with a diverse range of patients. Her dedication to her work, combined with her impressive credentials and teaching experience, makes her a reputable authority in the field of infertility treatment. Dr. Agrawal is committed to providing compassionate care to those seeking assistance in their journey to parenthood.
