Overview

Dr. Prasad Eswaran is a highly experienced Medical Oncologist based in Chennai, Tamil Nadu, with over 22 years of dedication to his field. As a member of the esteemed Apollo group, Dr. Eswaran has earned a reputation for his compassionate approach to patient care and his commitment to providing the highest standard of treatment. He holds multiple qualifications, including MBBS, DMRT, MD, and DM, which equip him with extensive knowledge and expertise in oncology.

Fluent in English, Tamil, and Hindi, Dr. Eswaran is able to communicate effectively with a diverse range of patients, ensuring that they feel comfortable and understood during their treatment journey. His practice is characterized by an emphasis on comprehensive patient education and support, enabling individuals to make informed decisions about their health.

Dr. Eswaran specializes in the diagnosis and treatment of various cancers, offering tailored treatment plans that consider each patient's unique circumstances. His commitment to staying updated with the latest advancements in cancer research and treatment options ensures that his patients receive the most current and effective therapies available.

In addition to his clinical practice, Dr. Eswaran is dedicated to ongoing professional development and often participates in medical symposiums and conferences to enhance his skills further.

With a blend of extensive experience, a patient-centered approach, and a strong commitment to the field of Medical Oncology, Dr. Prasad Eswaran is a trusted physician for those seeking expert care in cancer treatment.
