## Overview

Dr. Prashant Agrawal is a highly esteemed Orthopaedician with an impressive 32 years of experience in the field. Based in Mumbai, Maharashtra, he is associated with Apollo Hospitals, Navi Mumbai, where he serves as a full-time consultant. Dr. Agrawal has received training in prestigious medical institutions across several countries including the USA, Germany, the United Kingdom, Japan, and Taiwan, making him an internationally trained and experienced Joint Replacement Surgeon. His expertise lies in joint replacement and spinal surgeries, with special proficiency in complex trauma cases and surgeries involving the hip, pelvis, and acetabulum.

Recognized for his surgical skills, Dr. Agrawal manages all types of trauma and routine orthopedic patients, including emergencies and planned procedures. He is proficient in total hip and knee replacements, providing both cemented and uncemented options. Additionally, he is a respected educator, holding teaching responsibilities for MS (Ortho) students at Mumbai University and the Maharashtra University of Health Sciences in Nashik.

Dr. Agrawal is an active member of several professional organizations, including the Indian Orthopaedic Association, Bombay Orthopaedic Society, and the American Academy of Orthopaedic Surgeons. He has also attained fellowships from notable institutions across the globe, and he continues to contribute to

orthopedic research with published works in both national and international journals.

Fluent in multiple languages, including English, Bengali, Hindi, and Marathi, Dr. Prashant Agrawal is committed to providing exceptional orthopedic care, making strides in both clinical practice and education to advance the field of orthopedics.
