Overview

Dr. Pravin Padalkar is a highly skilled Spine Surgeon based in Mumbai, Maharashtra, with over 14 years of extensive experience in the field of spine surgery. He completed his MBBS from Seth GS Medical College and KEM Hospital in 1999, followed by an MS in Orthopaedics Surgery from the same institution in 2005. His dedication to advancing his expertise led him to pursue a fellowship in spine surgery in Singapore from 2006 to 2008.

Currently associated with Apollo, Dr. Padalkar is a noted authority in minimally invasive and micro endoscopic spine surgeries. He has a strong background in artificial disc replacement and is well-versed in complex and revision spine surgeries, making him a sought-after specialist for patients with sophisticated spine conditions. Furthermore, he served as an Associate Professor in the Orthopaedic Surgery Department at MGH Medical College in Navi Mumbai, contributing to the education and training of future orthopedic surgeons.

Fluent in English, Dr. Padalkar is committed to providing comprehensive care tailored to each patient's unique needs. His approach combines advanced surgical techniques with compassionate patient consults, ensuring a supportive experience for those seeking treatment for spine-related issues. With a passion for innovation in spinal health, Dr. Pravin Padalkar continues to make significant contributions to the field,

helping patients regain mobility and improve their quality of life.
