Overview

Dr. Priya Ranganath is a dedicated and compassionate Medical Geneticist with five years of experience in the field, currently practicing at Apollo Hospitals on Bannerghatta Road, Bangalore. With a robust educational background that includes a DNB Super Specialty in Medical Genetics from NIMS, Hyderabad, an MS in Obstetrics and Gynecology from Mysore Medical College and Research Institute, and an MBBS from Bangalore Medical College and Research Institute, Dr. Ranganath is well-equipped to address a wide range of genetic conditions. Her extensive training and expertise enable her to provide comprehensive care to patients and families navigating the complexities of genetic disorders. At Apollo Hospitals, Dr. Ranganath is committed to delivering personalized patient care, ensuring that each individual receives the attention and support they need. She specializes in genetic counseling, risk assessment, and the management of hereditary conditions, working closely with patients to develop tailored treatment plans that align with their unique needs. Dr. Ranganath believes in fostering a collaborative environment where patients feel empowered to make informed decisions about their health. Her warm demeanor and empathetic approach help to create a safe space for patients to discuss their concerns and explore their options. Dr. Ranganath's association with Apollo Hospitals reflects her commitment to excellence in healthcare. The hospital's state-of-the-art facilities and multidisciplinary approach complement her
