Overview

Dr. Prof. Rajesh Malhotra is a highly esteemed Orthopaedician based in South Delhi, Delhi, with over 31 years of extensive experience in the field of orthopedics. He is a distinguished graduate holding an M.B.B.S. and M.S. in Orthopedics from the prestigious All India Institute of Medical Sciences (AIIMS) in New Delhi. Further enhancing his credentials, he is a Fellow of the Royal College of Surgeons (F.R.C.S) in Glasgow and has attained several other notable fellowships, including those from the A.O Trauma and Reconstructive Fellowship in Germany, and the Ranawat Orthopedic Foundation Fellowship in New York. Dr. Malhotra's contributions to the field of orthopedics are widely recognized, having been honored with the B C Roy National Award for Eminent Medical Teacher in 2014. He is fluent in multiple languages, including English, Hindi, and Punjabi, making him accessible to a diverse patient population. His clinical expertise is complemented by a commitment to teaching and research, underscored by his affiliations and fellowships with various esteemed institutions worldwide, including a Fellowship in Joint Replacement and Bone Banking at Princess Alexandra Hospital in Brisbane. As a consultant at Apollo Hospitals, Dr. Malhotra is dedicated to delivering exceptional patient care and advancing the field of orthopedics through innovative treatments and techniques. His work aims to enhance the quality of life for patients suffering from musculoskeletal disorders, employing a compassionate and comprehensive approach to treatment.
