Overview

Dr. Prriya Eshpuniyani is a distinguished Thoracic Surgeon based in Mumbai, Maharashtra, with an impressive 20 years of experience in her field. As a female surgeon, she brings a unique perspective and a compassionate approach to her practice. Dr. Eshpuniyani's educational credentials are notable, holding a DNB in Thoracic Surgery alongside prestigious fellowships in Surgical Oncology and Advanced Robotic and Innovative Surgery (FARIS), as well as accolades in Minimal Access Surgery (FMAS) and Fellowship of the Association of Indian Surgeons (FAIS). Her dedication to continuous learning is evident from numerous prestigious training programs she has attended, including the Uniportal VATS training at Shanghai Pulmonary Hospital and advanced workshops in robotic surgery and VATS in various locations. Fluent in multiple languages including English, Hindi, Marathi, and Bengali, Dr. Eshpuniyani is able to connect with a diverse patient base, ensuring comfortable and effective communication. Her recent achievements, including the successful CMR Versius Robot Training and participation in a comprehensive research workshop at TATA Memorial Hospital, further underscore her commitment to excellence in thoracic surgery. As part of Apollo Healthcare, Dr. Eshpuniyani is dedicated to providing the highest standard of care, utilizing the latest techniques and technologies to improve patient outcomes.
