Overview

Dr. Rajesh Shinde is a highly experienced Surgical Oncologist based in Mumbai, Maharashtra, with a decade of dedicated service in the field. He holds a distinguished qualification comprising an MBBS, MS, and M.Ch, making him exceptionally qualified to manage complex surgical oncology cases. Dr. Shinde is fluent in both English and Hindi, ensuring effective communication with a diverse patient population. Throughout his career, he has been recognized with numerous awards that highlight his commitment to excellence in the medical field. Notably, he received the Best Paper Award for Oral Presentation at NATCON 2019 in Kolkata and was honored with various travel grants including one from the CSCO to present at the annual meeting in Xiamen, China. Additionally, he participated in the ESSO Training Fellowship in Verona and was awarded the RD Birla Smarak Kosh scholarship for higher training in GI Surgery in South Korea. Dr. Shinde has also received accolades for his research presentations, including a Best Poster Award at IASG 2017 in Pondicherry and a Best Paper Award at ICC 2017 in Bangalore. His commitment to advancing surgical oncology is evident through his ongoing involvement in conferences and workshops, as he strives to stay at the forefront of the latest medical innovations. As a member of Apollo, Dr. Shinde is dedicated to providing high-quality care to his patients, ensuring they receive the most effective treatment options available. Patients can feel confident in his expertise and compassionate

approach to care.
