Overview

Dr. Ashok Gawdi is a highly qualified and experienced Paediatrician based in Mumbai, Maharashtra. With an impressive 29 years of experience in the field, Dr. Gawdi has dedicated his career to providing exceptional healthcare to children. He holds an MBBS and an MD in Paediatrics, which equips him with extensive knowledge and expertise in addressing the unique health needs of infants, children, and adolescents. As a male practitioner, he is well-regarded for his compassionate approach and his ability to communicate effectively with both young patients and their families. Fluent in Hindi, Dr. Gawdi is able to connect with a diverse range of families, ensuring that they feel comfortable and understood throughout their medical journey. Practicing at Apollo Hospital, he is committed to the highest standards of care and is known for staying updated with the latest advancements in paediatric medicine. Dr. Gawdi's dedication to his patients and their well-being has earned him a reputable standing in the community. His practice is focused on fostering a friendly and reassuring environment, where children can receive treatment for a variety of health concerns. With a passion for paediatrics, Dr. Gawdi looks forward to contributing to the health and happiness of his young patients.
