Overview

Dr. Ravi Teja Rudraraju is a highly specialized orthopedic surgeon dedicated to sports medicine, with an impressive experience of 9 years in the field. Based in Hyderabad, Telangana, he is known for his in-depth understanding of orthopedic conditions related to sports and physical activity. Dr. Rudraraju has pursued extensive education, holding qualifications including MBBS, MS in Orthopedics, and specialized training from leading institutions, including FAOA in Australia, FISM in the USA, and FIJR in South Korea. His expertise encompasses a range of orthopedic injuries and surgeries, helping athletes and active individuals return to their sports and activities safely and effectively. Dr. Rudraraju is fluent in multiple languages: English, Hindi, and Telugu, allowing him to connect with a diverse patient base. His focus on sports medicine makes him a crucial resource for anyone coping with joint or muscle injuries derived from sports. Committed to ongoing education and advancements in medical technology, he stays current with the latest methods in orthopedic treatment to provide the highest quality of care. Dr. Rudraraju aims not just to treat injuries but also to educate his patients on preventive measures and rehabilitation, ensuring a comprehensive approach to their recovery and long-term health.
