Overview

Dr. Ruplin Terangpi is a highly experienced Obstetrician and Gynaecologist based in Mumbai, Maharashtra, with an extensive background in women's health. With over 11 years of dedicated practice, she has earned a reputation for her commitment to providing comprehensive care throughout pregnancy and beyond. Dr. Terangpi holds an MBBS and an MS in Obstetrics and Gynaecology, equipping her with a solid foundation in both general medicine and her specialized field.

Fluent in English, Hindi, and Assamese, Dr. Terangpi ensures effective communication with her diverse patient base, fostering an environment where patients feel comfortable discussing their health concerns. Her approach to medicine emphasizes not only the physical aspects of care but also the emotional support that women may need during their reproductive health journeys.

Dr. Terangpi is affiliated with Apollo Hospitals, a renowned institution known for its commitment to quality healthcare. Her dedication to continuous learning and development is evident in the accolades she has received, including the prestigious ABC award, recognizing her contributions to the field. Whether navigating complex obstetric cases or providing routine gynecological check-ups, Dr. Terangpi is passionate about empowering women with knowledge and comprehensive treatment options.

As a female physician, she understands the unique challenges faced by women in healthcare and strives to advocate for their needs. Patients can expect a compassionate, patient-centric approach when consulting with Dr. Ruplin Terangpi, making her a trusted choice for women seeking expert care in obstetrics and gynecology.
