Overview

Professor Dr Sanju Lall is a highly skilled dentist with over 29 years of extensive experience in the field. Based in New Delhi, she holds qualifications including BDS, MDS, FPFA (USA), and MFDI, underscoring her commitment to advanced dental education and practice. As a leading female dental surgeon, Dr Lall has dedicated her career to providing high-quality dental care to her patients. She being a family dentist, is fluent in multiple languages, including English, Hindi, and Nepalese.

Her practice, recognized as a leading practitioner in the field of prosthodontics and implantology, has catered to many fulfilled patients over the years, earning her a reputation for Excellence without Pretension. Professor Lall's expertise covers a wide range of dental services, making her a reliable choice for both cosmetic and dental procedures. Her specialization is prosthodontics with subspecialties in single and multiple implant prostheses. Her areas of clinical interest are full mouth rehabilitation and restoring patients in-centric relations.

With her compassionate approach and thorough understanding of patient oral care needs, she aims to create an environment that lessens anxiety and promotes positive dental experience. Dr Lall is devoted not only to the art of dentistry but also to staying updated with the latest advancements in dental technologies and techniques, further enhancing the quality of treatment she provides. She has been

involved in teaching postgraduate and undergraduate students for the past 14 years. Besides, the Professor is an Examiner of post-graduate students in India and Nepal. Annually, she participates in conventions by completing ongoing advanced training courses in India & other countries. Patients seeking comprehensive dental services can trust Dr. Sanju Lall to deliver exceptional results. Prior to Apollo Delhi, she has worked in Apollo Hospitals, Kathmandu & Nepal Oral Health Society, Kathmandu, Nepal. A trusted doctor, known for her compassionate, caring and patient-centred approach, she not only provides dental care but also emphasizes the vital connection between dental health and whole-body health. Her practice is guided by the motto "Excellence without Pretension." She is dedicated to empowering her patients with knowledge about holistic oral health which they need to make informed decisions about their teeth. Her diverse cultural experience combined with a strong track record of competence, have led to her involvement in various capacities with various professional, social, and philanthropic organizations in India and Nepal.
