Overview

Dr. Siddharth Kumar is a distinguished Paediatrics and Neonatology Specialist at Apollomedics Super Specialty Hospitals in Lucknow, bringing over 10 years of dedicated experience to his practice. He holds an MBBS and a Diploma in Child Health (DCH), equipping him with advanced expertise in managing complex neonatal conditions and pediatric health issues. Dr. Kumar is particularly proficient in neonatal resuscitation, management of preterm infants, and pediatric critical care, ensuring that his young patients receive the highest standard of medical attention. In addition to his clinical practice, Dr. Kumar is actively involved in research and academic discussions, contributing to advancements in pediatric medicine. He regularly participates in national and international medical conferences, where he shares insights on innovative treatments and emerging trends in child health. His commitment to continuous learning and professional development reflects his dedication to providing cutting-edge care. Dr. Kumar is passionate about patient-centered care, prioritizing the needs and concerns of both children and their families. He believes in fostering a supportive environment that encourages open communication and trust. Fluent in English, he effectively engages with a diverse patient population, ensuring that every family feels informed and empowered in their healthcare journey.
