Overview

Dr. Suryanarayana Sharma P M is a highly skilled neurologist based in Bangalore, Karnataka, with over a decade of experience in the field of neurology. He holds an impressive educational background, having obtained his MBBS, followed by an MD in Medicine, and a DM in Neurology. Additionally, Dr. Sharma has further honed his expertise by completing a Fellowship in Stroke at the National University Hospital in Singapore. This rigorous training positions him as a leading specialist in the diagnosis and treatment of neurological conditions.

Fluent in multiple languages including English, Hindi, Kannada, and Tamil, Dr. Sharma is dedicated to ensuring effective communication with his patients, making them feel comfortable and understood. He practices a patient-centered approach, focusing on personalized care plans that cater to the unique needs of each individual.

Dr. Sharma is renowned for his depth of knowledge in various neurological disorders, including stroke, epilepsy, migraines, and neurodegenerative diseases. His commitment to staying abreast of the latest advancements in neurology further enhances his ability to provide cutting-edge care. In addition to his clinical practice, he may also be involved in academic pursuits and research, contributing to the ongoing development of neurology as a field.

As a focused neurologist, Dr. Suryanarayana Sharma P M is passionate about improving the quality of life for his patients through meticulous diagnostic methodologies and effective treatment strategies. His patients appreciate not only his expertise but also his compassionate approach to care, making him a trusted choice for those seeking neurological assistance in the Bangalore area.
