Overview

Dr. Tanmaya Panda is a highly experienced General and Laparoscopic Surgeon based in Bhubaneswar, Odisha, with 15 years of dedicated service in the medical field. As a Senior Consultant, he specializes in General Surgery, Laparoscopic Surgery, and Bariatric Surgery, and holds a Fellowship in Minimal Access Surgery. Dr. Panda is proficient in multiple languages, including English, Hindi, Oriya, Odia, and Bengali, enabling him to communicate effectively with a diverse patient population.

Throughout his illustrious career, Dr. Panda has garnered numerous accolades, including being recognized among the Top 3 at the Indian Endoscopic Society's Annual Video Meet in Kolkata in 2007. He has actively participated in various prestigious conferences, presenting on topics such as laparoscopic techniques and trauma management. His commitment to ongoing education in his field is evident through his involvement as a faculty member in several state and national conferences, including OSASICON and IAGES conferences.

Dr. Panda's contributions to medical literature include multiple case reports and research articles, highlighting his dedication to advancing surgical practices. His notable works have been published in reputable journals, focusing on complex surgical issues, such as adult intussusception and rare syndromes. As a proactive member of the medical community, he has also contributed significantly to

discussions surrounding patient safety and modern surgical techniques.

Patients seeking expert surgical care can trust in Dr. Panda's extensive knowledge and skills. His approach integrates innovative minimally invasive techniques, ensuring a comprehensive treatment plan tailored to each individual's needs. Driven by compassion and commitment to excellence, Dr. Tanmaya Panda stands as a pillar of healthcare in Odisha.
