Overview

Dr. Venkat K is a highly experienced neurosurgeon based in Nellore, Andhra Pradesh, with an impressive 13 years of dedicated practice in the field of neurosurgery. He holds prestigious degrees including M.B.B.S., M.Ch. in Neurosurgery from the All India Institute of Medical Sciences (AIIMS) in New Delhi, and FRCS from the International Society in Edinburgh, UK. Dr. Venkat's commitment to excellence is exemplified by a series of notable awards and recognition throughout his career, including a GOLD MEDAL for the Best Original Article published at SVIMS, and the Best Paper Award at APNEUROCON 2021. His innovative research and clinical practices have earned him further accolades, such as the Outstanding Young Person Award by Junior Chambers International in 2023 and international recognition at the Asian Australasian Congress of Neurological Surgeons in Israel.

Fluent in English, Hindi, Telugu, and Tamil, Dr. Venkat effectively communicates with a diverse patient population. He has an impressive portfolio of research and publications which includes pivotal studies on various neurosurgical practice aspects, embodying his role as a thought leader in the field. As an ex-Associate Professor at SVIMS, he has also mentored future neurosurgeons, contributing to the

advancement of medical education and research in India.

Dr. Venkat K's holistic approach to patient care emphasizes personalized treatment plans tailored to individual needs, ensuring that every patient receives the highest quality of care. As a member of the Apollo Hospital network, he continues to deliver top-notch neurosurgical care, combining his extensive experience with compassion for his patients.
