Overview

Dr. Vijaykumar G is a dedicated Diabetologist based in Chennai, Tamil Nadu, specializing in the management and treatment of diabetes. He holds an MBBS degree along with a Diploma in Diabetes, equipping him with the necessary knowledge and skills to provide care for patients suffering from various forms of diabetes, including Type 1, Type 2, and gestational diabetes. As a member of the prestigious Apollo healthcare network, Dr. Vijaykumar is committed to delivering high-quality medical care, utilizing evidence-based approaches to tailor his treatment plans to the unique needs of each patient. With a focus on both the physiological and lifestyle aspects of diabetes management, Dr. Vijaykumar emphasizes the importance of education, motivation, and support in helping patients achieve better health outcomes. Although he is in the early stages of his professional journey, he is deeply passionate about diabetes care and committed to staying informed on the latest research and advancements in the field. Dr. Vijaykumar G communicates fluently in English, making it easier for patients to understand their condition and treatment options. He is dedicated to fostering a supportive and compassionate environment for all his patients, ensuring they feel comfortable discussing their health concerns. If you are looking for an empathetic and knowledgeable diabetologist in Chennai, Dr. Vijaykumar G is ready to assist you on your journey toward better health.
