Overview

Dr. Prabhu Karunakaran is a distinguished Pediatric Urology Specialist at Apollo Health City Jubilee Hills, Hyderabad, with five years of dedicated experience in the field. He holds an impressive array of qualifications, including MBBS, DrNB in Pediatric Surgery, and specialized fellowships in Pediatric Urology and Robotic Surgery from the University of Chicago, USA. His advanced expertise enables him to perform a range of complex procedures, including minimally invasive surgeries, management of congenital urological conditions, and treatment of urinary tract infections in children. Dr. Karunakaran is deeply committed to patient-centered care, ensuring that each child receives personalized treatment tailored to their unique needs. He actively engages in research and academic discussions, contributing to advancements in pediatric urology. His participation in national and international medical conferences underscores his dedication to staying at the forefront of medical innovation and excellence. Fluent in English, Hindi, Telugu, Tamil, Kannada, and Malayalam, Dr. Karunakaran effectively communicates with a diverse patient population, fostering a supportive and understanding environment for families. His passion for improving the lives of his young patients drives his commitment to providing the highest quality of healthcare.
