Overview

Dr. Mala Kumar is a highly experienced paediatrician and neonatologist with over 38 years of expertise in child healthcare. She has previously served as Professor and Head of the Department of Paediatrics at King George's Medical University (KGMU), Lucknow — one of the most prestigious medical institutions in India.

A Gold Medalist in MD (Paediatrics), Dr. Kumar is known for her compassionate care and dedication to improving the health and well-being of children, from newborns to adolescents. At Apollomedics Hospital Lucknow, she offers expert care in both general paediatrics and neonatology.

Her special interests include the care and follow-up of high-risk newborns, advanced neonatal and paediatric intensive care (NICU & PICU), and neonatal ventilation. With her vast clinical experience and warm approach, Dr. Kumar is a trusted name for families seeking the best medical care for their little ones.
