## Overview

Dr. Rohini Khera Bhatt is a Consultant in Obstetrics, Gynecology & Robotic Surgery at Apollo Hospitals Navi Mumbai, with over a decade of dedicated experience in women's healthcare. She completed her MBBS from King George's Medical University (KGMU), Lucknow in 2011 with First Division, followed by an MS in Obstetrics & Gynecology from S.N. Medical College, Agra in 2015, where she was awarded a Gold Medal for academic excellence. She further attained the Diplomate of National Board (DNB) in 2016 and the prestigious MRCOG (UK) in 2022, clearing all parts on her first attempt.

Dr. Rohini has received specialized training in **minimally invasive gynecological procedures, colposcopy, and hysteroscopy**, along with fellowship-level hands-on training. She has extensive experience in managing **high-risk pregnancies, advanced gynecological cases, and robotic surgeries**, making her a trusted expert in her field.

She actively participates in academic discussions and conferences, contributing to research and promoting evidence-based practices. A strong advocate of **patient-centered care**, Dr. Rohini combines advanced medical expertise with compassion, ensuring that every patient receives personalized treatment. Fluent in both English and Hindi, she effectively connects with a diverse patient community, building trust and confidence in their care journey.
