Overview

Dr. Mohsin Khan is a distinguished General and Laparoscopic Surgeon at Apollo Hospitals Indraprastha, Delhi, bringing over 11 years of extensive experience in the field. He holds an MBBS, MS, and DNB, which underscores his advanced expertise and commitment to surgical excellence. Dr. Khan specializes in minimally invasive surgical techniques, including laparoscopic cholecystectomy, hernia repairs, and bariatric surgery, ensuring optimal outcomes for his patients.

In addition to his clinical practice, Dr. Khan is actively involved in research and academic discussions, contributing to advancements in surgical methodologies and patient care. He frequently participates in national and international medical conferences, where he shares his insights and collaborates with peers to enhance surgical practices. His dedication to continuous learning and innovation reflects his commitment to providing the highest quality of care.

Dr. Khan is passionate about patient-centered care, prioritizing the needs and concerns of his patients throughout their treatment journey. He believes in fostering a supportive environment where patients feel informed and empowered. Fluent in both Hindi and English, Dr. Khan effectively communicates with a diverse patient population, ensuring that every individual receives personalized attention and care tailored to their unique needs.
