Overview

Dr. Vikas Kohli is a distinguished Pediatric Cardiology Specialist at Apollo Hospitals Indraprastha, Delhi, with an impressive 26 years of experience in the field. He is American Board Certified, reflecting his advanced expertise and commitment to the highest standards of pediatric cardiac care. Dr. Kohli specializes in a range of procedures, including congenital heart defect interventions, cardiac catheterization, and non-invasive imaging techniques, ensuring that his young patients receive the most effective and innovative treatments available.

In addition to his clinical practice, Dr. Kohli is actively involved in research and academic discussions, contributing to advancements in pediatric cardiology. He frequently participates in national and international medical conferences, sharing his insights and findings with peers, and staying abreast of the latest developments in the field. His dedication to continuous learning and improvement underscores his commitment to medical excellence.

Dr. Kohli is passionate about patient-centered care, prioritizing the needs and concerns of his patients and their families. He believes in fostering a supportive environment where families feel informed and empowered throughout the treatment process. Fluent in English, Hindi, Bengali, and Punjabi, Dr. Kohli effectively communicates with a diverse patient population, ensuring that every child receives

compassionate and comprehensive care tailored to their unique needs.
