Overview

Dr. Nabanita Bagchi Chatterjee is a distinguished General Surgery Specialist at Apollo Hospitals Indraprastha, Delhi, with an impressive 24 years of experience in the field. She holds an MBBS, MS in General Surgery, DNB in General Surgery, and FNB in Minimal Access Surgery, showcasing her advanced expertise and commitment to surgical excellence. Dr. Chatterjee is proficient in a range of procedures, including laparoscopic surgeries, bariatric surgery, and complex abdominal surgeries, ensuring her patients receive the highest standard of care.

In addition to her clinical practice, Dr. Chatterjee is actively involved in research and academic discussions, contributing to advancements in surgical techniques and patient outcomes. She regularly participates in national and international medical conferences, sharing her insights and learning from peers to enhance her practice. Her dedication to continuous education reflects her commitment to staying at the forefront of medical innovation.

Dr. Chatterjee is passionate about patient-centered care, prioritizing the needs and concerns of her patients. She believes in fostering a supportive environment where patients feel informed and empowered throughout their treatment journey. Fluent in English and Hindi, she effectively communicates with a diverse patient population, ensuring that every individual receives personalized and compassionate care.
