Overview

Dr. Akash Deep Suri is a distinguished Nephrology Specialist at Apollo Sage Hospitals, Bhopal, with 17 years of extensive experience in the field. He holds an MD, DM, and DNB, reflecting his advanced expertise and commitment to excellence in nephrology. Dr. Suri is proficient in a range of specialized procedures, including renal biopsies, dialysis management, and the treatment of chronic kidney disease, making him a trusted resource for patients facing complex renal issues.

In addition to his clinical practice, Dr. Suri is actively involved in research and academic discussions, contributing to advancements in nephrology through participation in national and international medical conferences. His dedication to staying at the forefront of medical innovation ensures that his patients receive the most effective and up-to-date treatments available.

Dr. Suri is deeply committed to patient-centered care, prioritizing the individual needs of each patient and fostering a compassionate environment. He believes in empowering patients through education and open communication, ensuring they are well-informed about their treatment options. Fluent in both English and Hindi, Dr. Suri effectively connects with a diverse patient population, enhancing their healthcare experience and promoting better health outcomes.
