Overview

Dr. Anjana Venugopalan is a dedicated Obstetrics and Gynaecology Specialist at Apollo Adlux Hospital, Cochin, with six years of extensive experience in her field. She holds an MBBS, along with an MS and DNB in Obstetrics and Gynaecology, equipping her with advanced expertise in managing a wide range of women's health issues. Dr. Venugopalan is particularly proficient in high-risk obstetrics, minimally invasive surgical techniques, and reproductive health, ensuring her patients receive the most effective and innovative treatments available. In addition to her clinical practice, Dr. Venugopalan is actively involved in research and academic discussions, contributing to the advancement of women's healthcare. She regularly participates in medical conferences, where she shares her insights and stays updated on the latest developments in obstetrics and gynaecology. Her commitment to continuous learning reflects her dedication to providing high-quality care to her patients. Dr. Venugopalan is passionate about patient-centered care, prioritizing the needs and concerns of her patients in every aspect of their treatment. She believes in fostering a supportive and informative environment, ensuring that her patients feel empowered and informed throughout their healthcare journey. Fluent in English, she effectively communicates with a diverse patient population, making her an approachable and trusted healthcare provider.
