## Overview

Dr. Asna Zehra Naqvi is a highly compassionate and internationally trained Senior Consultant in Obstetrics and Gynaecology, specializing in high-risk pregnancies, infertility, adolescent gynaecology, and advanced laparoscopic procedures. With over a decade of clinical experience, including 6+ years in the UK's prestigious NHS system, Dr. Asna brings a global standard of care to every patient encounter.

Her calm demeanour, evidence-based practice, and empathetic approach make her a trusted healthcare partner for women through every stage of life—from adolescence to menopause. She has successfully managed numerous high-risk cases, complex gynaecological conditions, and minimally invasive surgeries with outstanding outcomes.

She is a Member of the Royal College of Obstetricians & Gynaecologists (London) and holds a Diploma in IVF & Reproductive Medicine from Germany. Whether you are planning a pregnancy, facing fertility challenges, or need expert advice on menstrual, hormonal or menopausal issues, Dr. Asna offers personalized care tailored to your health goals.
