Overview

Dr. Chander Shekhar is a highly esteemed orthopaedic surgeon with over 30 years of dedicated experience in the field. Based in Delhi, he has built a reputation for excellence in patient care and clinical outcomes. Dr. Shekhar completed his MBBS and MS, equipping him with a solid foundation in medical science and surgical techniques. His extensive training and hands-on experience have enabled him to specialize in a wide range of orthopaedic conditions, from sports injuries to complex joint replacements. As a member of the esteemed Apollo Hospitals, Delhi , he is committed to providing the highest standard of care to his patients. Dr. Shekhar's approach to patient care is characterized by compassion, thoroughness, and a commitment to individualized treatment plans. He believes in fostering a collaborative environment where patients feel empowered to participate in their own healthcare decisions. By taking the time to listen to his patients' concerns and thoroughly explaining their conditions and treatment options, he ensures that they are well-informed and comfortable throughout their journey to recovery. His clinical focus includes not only surgical interventions but also preventive care and rehabilitation, emphasizing the importance of holistic health in achieving optimal outcomes. At Apollo Hospitals, Delhi , Dr. Chander Shekhar is an integral part of a multidisciplinary team that prioritizes patient safety and satisfaction. His affiliation with this leading healthcare institution allows him to leverage advanced medical technologies and innovative
