Overview

Dr. Mohamed Farook Mohiuddin is a distinguished gastroenterologist based in Bangalore, bringing over 13 years of dedicated experience in the field of Gastroenterology and GI medicine. He is currently associated with Apollo Hospitals Bannerghatta Road, where he has established himself as a trusted expert in diagnosing and treating a wide range of gastrointestinal disorders. Dr. Mohiuddin's extensive educational background includes an MBBS degree, followed by advanced qualifications such as FGE, PGDFM, and a postgraduate degree in Gastroenterology from the American College of Gastroenterology (ACG). This robust academic foundation equips him with the knowledge and skills necessary to provide comprehensive care to his patients. Dr. Mohiuddin's clinical focus encompasses a variety of gastrointestinal conditions, including inflammatory bowel disease, liver disorders, and gastrointestinal cancers. He is committed to staying at the forefront of medical advancements, ensuring that his patients benefit from the latest diagnostic and therapeutic techniques. His approach to patient care is characterized by empathy and thoroughness; he believes in fostering a collaborative relationship with his patients, where open communication and education play pivotal roles. By taking the time to understand each patient's unique circumstances, Dr. Mohiuddin tailors treatment plans that align with their individual needs and health goals. At Apollo Hospitals Bannerghatta Road, Dr. Mohiuddin is part of a multidisciplinary team that

prioritizes patient-centered care. The hospital's state-of-the-art facilities and commitment to excellence in healthcare complement his dedication to providing high-quality medical services. Patients can expect a warm and welcoming environment, where their health concerns are addressed with the utmost professionalism and compassion. Dr. Mohiuddin's unwavering commitment to improving the lives of his patients makes him a valuable asset to the Apollo Hospitals community, ensuring that those seeking gastrointestinal care receive the best possible treatment and support.
