## Overview

Dr. Karthik S is a highly skilled General, GI, Bariatric, and Laparoscopic Surgeon with over a decade of experience, currently practicing at Apollo Speciality Hospital, Jayanagar, Bangalore. He holds an MBBS, MS, DNB, and FNB in Minimal Access Surgery, reflecting his strong academic foundation and specialized training. With a passion for delivering safe, efficient, and patient-centred care, Dr. Karthik excels in minimally invasive procedures that ensure quicker recovery and minimal postoperative discomfort. His clinical expertise includes treating abdominal and groyne hernias, gallbladder diseases, colorectal and anal canal disorders, acute abdominal emergencies, thyroid conditions, and breast disorders.

Dedicated to patient empowerment and communication, Dr. Karthik believes in a collaborative approach to treatment. He takes the time to thoroughly explain procedures, address patient concerns, and ensure they are well-informed at every stage. His commitment to surgical excellence is supported by his registrations and affiliations with the Karnataka Medical Council, the Medical Council of India, and the Association of Surgeons of India. As a key member of the Apollo Jayanagar team, he leverages advanced medical technology to provide high-quality, personalized surgical care.

Dr. Karthik is also recognized for his academic contributions. He received the Best Paper Award at KSCASICON 2020 for his research on TAP blocks in TEP surgeries. He is the first author of several

published works, including *“Laparoscopic excision of large rectal GIST”* and *“Analysis of laparoscopic port site complications – A descriptive study.”* His dedication to both clinical practice and research makes him a trusted name in surgical care.
