Overview

Dr. Sangeetha K P is a highly esteemed Medical Oncologist with a decade of dedicated experience in the field of oncology. Based at Apollo Cancer Centres in HSR Layout, Bangalore, she has established herself as a compassionate and skilled physician, committed to providing exceptional care to her patients. Dr. Sangeetha's extensive educational background includes an MBBS and an MD in General Medicine, followed by a DM in Medical Oncology from the prestigious Tata Memorial Hospital in Mumbai. Additionally, she holds an MRCP (UK) certification and has completed specialized training in ECMO and the IAPC Palliative Course, equipping her with a comprehensive understanding of both curative and palliative care approaches. In her practice, Dr. Sangeetha focuses on a holistic approach to cancer treatment, emphasizing the importance of personalized care tailored to each patient's unique needs. She is dedicated to staying at the forefront of medical advancements, ensuring that her patients benefit from the latest treatment modalities and evidence-based practices. Her clinical expertise encompasses a wide range of oncological conditions, and she is particularly passionate about improving the quality of life for her patients through effective symptom management and supportive care. Dr. Sangeetha believes in fostering open communication with her patients, encouraging them to be active participants in their treatment journey, which helps build trust and enhances the overall patient experience. At Apollo Cancer

Centres, Dr. Sangeetha collaborates with a multidisciplinary team of healthcare professionals, ensuring a comprehensive approach to cancer care. Her commitment to excellence and patient-centered philosophy aligns perfectly with the hospital's mission to provide world-class oncology services. With her warm demeanor and unwavering dedication, Dr. Sangeetha K P is not only a trusted medical professional but also a source of hope and support for her patients and their families as they navigate the challenges of cancer treatment.
