Overview

Dr. Ravishankar K S is a distinguished consultant in Minimal Access and Surgical Gastroenterology, bringing over 14 years of extensive experience to his practice. Based in Bangalore, he is currently associated with Apollo Hospitals, Seshadripuram, where he has earned a reputation for his expertise and dedication to patient care. Dr. Ravishankar's educational background is impressive, holding an MS degree along with prestigious fellowships in Minimal Access Surgery (FMAS) and Advanced Laparoscopic Surgery (FALS). Additionally, he has completed a certification in Hepato-Pancreato-Biliary (HPB) Surgery, which underscores his commitment to staying at the forefront of advancements in surgical techniques and patient management. In his practice, Dr. Ravishankar focuses on a wide range of gastrointestinal disorders, employing minimally invasive surgical techniques that promote quicker recovery times and reduced postoperative discomfort for his patients. His clinical approach is characterized by a deep understanding of each patient's unique needs, ensuring that they receive personalized care tailored to their specific conditions. Dr. Ravishankar believes in fostering a collaborative environment where patients feel empowered to participate in their treatment decisions, which enhances their overall experience and satisfaction. His warm demeanor and compassionate approach make him a trusted choice for patients seeking surgical interventions in gastroenterology. At Apollo Hospitals, Seshadripuram, Dr. Ravishankar is

part of a multidisciplinary team that is committed to providing comprehensive healthcare solutions. The hospital's state-of-the-art facilities and emphasis on patient-centered care align perfectly with his professional philosophy. Dr. Ravishankar is dedicated to not only treating medical conditions but also educating patients about their health, ensuring they are well-informed and comfortable throughout their treatment journey. His unwavering commitment to excellence in surgical care and patient satisfaction makes him a valuable asset to the Apollo Hospitals community and a reliable partner in health for his patients.
