Overview

Dr. Sridutt Bhadri is a highly skilled neurosurgeon with over eight years of dedicated experience in the field of neurosurgery. Based at Apollo Speciality Hospital, Jayanagar in Bangalore, he has established himself as a trusted expert in diagnosing and treating a wide range of neurological conditions. Dr. Bhadri's extensive educational background includes an M.B.B.S, followed by an M.S in General Surgery, and advanced training with an M.Ch in Neurosurgery. He further enhanced his expertise by obtaining a D.N.B in Neurosurgery, along with prestigious qualifications such as MNAMS, FRCS from England, and FEBNS from Europe. This comprehensive training equips him with the knowledge and skills necessary to provide exceptional care to his patients. Dr. Bhadri's clinical focus encompasses various aspects of neurosurgery, including brain tumors, spinal disorders, and neurotrauma. He is committed to employing the latest techniques and technologies to ensure optimal outcomes for his patients. His approach to patient care is characterized by compassion and thoroughness; he believes in fostering a collaborative environment where patients feel heard and understood. Dr. Bhadri takes the time to explain complex medical conditions and treatment options, empowering his patients to make informed decisions about their health. His dedication to patient education and support is a cornerstone of his practice, ensuring that each individual receives personalized care tailored to their unique needs. At Apollo Speciality Hospital, Jayanagar, Dr.

Bhadri is part of a multidisciplinary team that prioritizes patient safety and comfort. The hospital's state-of-the-art facilities and commitment to excellence in healthcare align perfectly with his professional ethos. Dr. Bhadri's association with Apollo Hospitals not only enhances his ability to provide top-tier medical care but also reflects his dedication to advancing the field of neurosurgery. With a focus on continuous learning and improvement, he remains at the forefront of medical advancements, ensuring that his patients benefit from the latest innovations in treatment. Whether you are seeking consultation for a complex neurological issue or require surgical intervention, Dr. Sridutt Bhadri is here to guide you on your journey to recovery with expertise and empathy.
