Overview

Dr. Venukumar Kn is a highly skilled and compassionate vascular surgeon with over a decade of experience in the field. Based at Apollo Hospitals on Bannerghatta Road in Bangalore, he has dedicated his career to providing exceptional care to patients with a wide range of vascular conditions. His extensive educational background includes an MBBS, followed by a Master's in General Surgery (MS), and further specialization with a DNB in General Surgery, an M.CH in Vascular Surgery, and a DrNB in Vascular Surgery. This rigorous training equips him with a comprehensive understanding of both general and vascular surgical practices, allowing him to deliver the highest standard of care. Dr. Venukumar's clinical focus encompasses a variety of vascular disorders, including peripheral artery disease, varicose veins, and aortic aneurysms, among others. He employs the latest techniques and technologies in vascular surgery, ensuring that his patients receive the most effective and minimally invasive treatment options available. His approach to patient care is characterized by empathy and thorough communication; he believes in involving patients in their treatment plans and ensuring they fully understand their conditions and the procedures involved. This patient-centered philosophy not only fosters trust but also empowers individuals to make informed decisions about their health. As a valued member of the Apollo Hospitals team, Dr. Venukumar is committed to upholding the institution's reputation for excellence in healthcare. He

collaborates closely with a multidisciplinary team of specialists to provide comprehensive care tailored to each patient's unique needs. His dedication to continuous learning and improvement in the field of vascular surgery ensures that he remains at the forefront of advancements, ultimately benefiting his patients. With Dr. Venukumar, patients can expect not only expert medical care but also a warm and supportive environment that prioritizes their well-being.
