Overview

Dr. Pukhraj Singh Jeji is a highly esteemed consultant in Gastroenterology at Apollo Hospitals, Bhubaneswar, bringing over 12 years of dedicated experience in the field of GI medicine. With a robust educational background that includes an MBBS, an MD in Internal Medicine, and a DM in Gastroenterology, Dr. Jeji has honed his expertise to provide comprehensive care for a wide range of gastrointestinal disorders. His commitment to advancing his knowledge and skills ensures that he remains at the forefront of the latest developments in gastroenterological practices, allowing him to deliver the highest standard of care to his patients. At Apollo Hospitals, Dr. Jeji is known for his patient-centered approach, where he prioritizes understanding each patient's unique needs and concerns. He believes in fostering a collaborative environment, encouraging open communication to empower patients in their treatment journey. His clinical focus encompasses a variety of gastrointestinal conditions, including inflammatory bowel disease, liver disorders, and gastrointestinal cancers, among others. Dr. Jeji employs a combination of advanced diagnostic techniques and evidence-based treatment protocols to ensure optimal outcomes for his patients, always striving to enhance their quality of life. Dr. Jeji's association with Apollo Hospitals, a leading healthcare institution, further amplifies his ability to provide exceptional care. The hospital's state-of-the-art facilities and multidisciplinary approach complement his expertise, allowing

for comprehensive management of complex gastrointestinal issues. Patients can trust that under Dr. Jeji's care, they will receive not only expert medical treatment but also compassionate support throughout their healthcare journey. His dedication to excellence and patient well-being makes him a valuable asset to the Apollo Hospitals team and a trusted partner in health for the Bhubaneswar community.
