Overview

Dr. Ganesh Chandra Subudhi is a distinguished Medical Oncologist with over 16 years of dedicated experience in the field of oncology. Currently serving as a Consultant at Apollo Cancer Centre in Bhubaneswar, Dr. Subudhi has established himself as a trusted expert in the diagnosis and treatment of various cancers. His extensive educational background includes an MBBS and an MD in General Medicine, complemented by a DrNB in Medical Oncology from the prestigious DNSH in Delhi. This robust foundation equips him with a comprehensive understanding of both general and specialized medical practices, allowing him to provide exceptional care to his patients. At Apollo Hospitals, Bhubaneswar, Dr. Subudhi is committed to delivering personalized treatment plans that cater to the unique needs of each patient. His clinical focus encompasses a wide range of oncological conditions, and he employs the latest advancements in medical technology and research to ensure optimal outcomes. Dr. Subudhi believes in a holistic approach to patient care, emphasizing the importance of communication and empathy in the treatment process. He takes the time to listen to his patients, addressing their concerns and involving them in their treatment decisions, which fosters a supportive environment conducive to healing. Dr. Subudhi's association with Apollo Hospitals reflects his dedication to providing high-quality healthcare in a state-of-the-art facility. The hospital's commitment to excellence aligns with his own professional values, making it

an ideal setting for him to practice. With a focus on continuous learning and improvement, Dr. Subudhi remains at the forefront of oncology, ensuring that his patients receive the most effective and innovative treatments available. His passion for oncology and unwavering commitment to patient care make him a valuable asset to the Apollo Cancer Centre and the community he serves.
