Overview

Dr. Purna Chandra Kar is a highly esteemed Consultant Nephrologist and Transplant Physician based in Bhubaneswar, with a commendable experience of over 10 years in the field of nephrology. His extensive educational background includes an MBBS degree, followed by an MD in Medicine from VIMSAR, Burla, and a DM in Nephrology from the prestigious S.C.B Medical College, Cuttack. This solid foundation in medical education, combined with his practical experience, equips him with the expertise to address a wide range of kidney-related conditions, from chronic kidney disease to complex transplant cases. At Apollo Hospitals, Bhubaneswar, Dr. Kar is dedicated to providing comprehensive and compassionate care to his patients. He believes in a patient-centered approach, ensuring that each individual receives personalized treatment tailored to their unique needs. His clinical focus encompasses not only the management of kidney diseases but also the promotion of kidney health through preventive measures and lifestyle modifications. Dr. Kar is committed to staying abreast of the latest advancements in nephrology, which allows him to offer cutting-edge treatments and interventions. His warm demeanor and empathetic nature foster a trusting environment, encouraging open communication and collaboration with his patients and their families. Dr. Kar's association with Apollo Hospitals reflects his commitment to excellence in healthcare. The hospital's state-of-the-art facilities and multidisciplinary approach align perfectly with his

vision of delivering high-quality nephrology services. He actively participates in various clinical programs and initiatives aimed at enhancing patient outcomes and advancing the field of nephrology. With a focus on both clinical excellence and patient education, Dr. Purna Chandra Kar is a valuable asset to the Apollo Hospitals team, dedicated to improving the lives of those he serves through expert care and unwavering support.
