Overview

Dr. Shubha Vivekan is a highly esteemed gastroenterologist based in Chennai, bringing over 14 years of dedicated experience in the field of Gastroenterology and GI medicine. With a robust educational background that includes an MBBS, MD, and DM in Gastroenterology, Dr. Vivekan has honed her expertise in diagnosing and treating a wide range of gastrointestinal disorders. Her commitment to advancing her knowledge and skills ensures that she remains at the forefront of the latest developments in gastroenterological care, providing her patients with the highest standard of medical attention. At Apollo First Med Hospitals Kilpauk, Dr. Vivekan is known for her compassionate approach to patient care. She believes in fostering a supportive environment where patients feel comfortable discussing their health concerns. Her clinical focus encompasses a variety of gastrointestinal issues, including inflammatory bowel disease, liver disorders, and gastrointestinal cancers. Dr. Vivekan employs a comprehensive approach to treatment, integrating the latest diagnostic techniques and therapeutic options tailored to each patient's unique needs. Her dedication to patient education empowers individuals to take an active role in their health journey, ensuring they are well-informed about their conditions and treatment plans. Dr. Vivekan's association with Apollo First Med Hospitals Kilpauk reflects her commitment to providing exceptional healthcare in a state-of-the-art facility. The hospital's emphasis on patient-centered care aligns

perfectly with her philosophy, making it an ideal setting for her practice. With a reputation for excellence and a deep understanding of the complexities of gastrointestinal health, Dr. Shubha Vivekan is a trusted partner for patients seeking expert care in Chennai. Her unwavering dedication to improving the lives of her patients is evident in every aspect of her practice, making her a valuable asset to the community and a beacon of hope for those facing gastrointestinal challenges.
