Overview

Dr. A. S. Bharathi Sezhian is a highly esteemed nephrologist based in Chennai, with a decade of dedicated experience in the field of kidney health. His extensive educational background includes an MBBS, MD, DM, and DrNB, equipping him with a comprehensive understanding of nephrology and its complexities. Dr. Sezhian is currently associated with Apollo Hospitals Tondiarpet, where he has established himself as a trusted expert in managing a wide range of renal conditions. His commitment to advancing patient care is evident in his approach, which combines the latest medical advancements with compassionate, personalized treatment plans. Throughout his career, Dr. Sezhian has focused on various aspects of nephrology, including chronic kidney disease, hypertension, and renal replacement therapy. He is particularly passionate about educating his patients on the importance of kidney health and preventive measures. By fostering open communication, he ensures that his patients feel comfortable discussing their concerns and are actively involved in their treatment decisions. Dr. Sezhian believes that a collaborative approach not only enhances patient outcomes but also empowers individuals to take charge of their health. At Apollo Hospitals Tondiarpet, Dr. Sezhian is part of a multidisciplinary team that prioritizes comprehensive care and innovative treatment options. His dedication to excellence in nephrology, combined with the hospital's state-of-the-art facilities, allows him to provide the highest standard of care to

his patients. Dr. Sezhian's warm demeanor and unwavering commitment to his patients make him a valuable asset to the Apollo Hospitals community, where he continues to make a significant impact on the lives of those he serves.
