Overview

Dr. Pranab Kumar Medhi is a highly esteemed nephrologist based in Guwahati, with an impressive 20 years of experience in the field of medicine. He is currently associated with Apollo Hospitals, Guwahati, where he brings his extensive expertise and compassionate approach to patient care. Dr. Medhi has dedicated his career to the diagnosis and treatment of kidney-related disorders, ensuring that his patients receive the highest standard of care. His commitment to advancing nephrology is evident through his continuous engagement in professional development and his active participation in various medical forums. Dr. Medhi's educational qualifications are a testament to his dedication and proficiency in his specialty. He holds an MBBS and an MD in Medicine, along with an IDCCM in Critical Care Medicine and a DM in Nephrology. This robust academic foundation equips him with a comprehensive understanding of both general and specialized medical practices, allowing him to address complex renal issues effectively. His clinical focus encompasses a wide range of nephrological conditions, including chronic kidney disease, hypertension, and electrolyte imbalances, among others. Dr. Medhi employs a patient-centered approach, emphasizing the importance of individualized treatment plans that cater to the unique needs of each patient. At Apollo Hospitals, Guwahati, Dr. Medhi is not only a practitioner but also a mentor, guiding younger medical professionals and contributing to the hospital's mission of providing exceptional

healthcare. His warm demeanor and empathetic nature foster a trusting environment for patients, making them feel comfortable and supported throughout their treatment journey. Dr. Medhi believes in the power of education and communication, ensuring that his patients are well-informed about their conditions and treatment options. With a focus on holistic care, he collaborates with a multidisciplinary team to deliver comprehensive solutions that enhance the overall well-being of his patients. Through his unwavering dedication and expertise, Dr. Pranab Kumar Medhi continues to make a significant impact in the field of nephrology, improving the lives of countless individuals in the community.
