Overview

Dr. Sree Krishna Phani Sankar Iragavarapu is a highly skilled and compassionate surgeon specializing in Gastrointestinal (GI) and General Surgery, with a decade of extensive experience in the field. Based in Hyderabad, he is currently associated with Apollo Health City, Jubilee Hills , a premier healthcare institution known for its commitment to excellence in patient care. Dr. Iragavarapu's educational background is impressive, holding an MBBS degree followed by a DNB in General Surgery. He has further honed his expertise with advanced qualifications, including FMAS, FALS in Robotic Surgery, and FALS in Bariatric Surgery, which equip him with the latest techniques and methodologies in surgical practice. Dr. Iragavarapu's clinical focus encompasses a wide range of surgical procedures, particularly in the areas of gastrointestinal disorders and weight management. His proficiency in robotic and bariatric surgeries allows him to offer minimally invasive options that promote quicker recovery times and improved patient outcomes. He is dedicated to staying at the forefront of surgical advancements, ensuring that his patients receive the most effective and innovative treatments available. His approach to patient care is characterized by empathy and thorough communication, as he believes that understanding a patient's concerns and expectations is crucial for successful treatment. Dr. Iragavarapu takes the time to educate his patients about their conditions and the various treatment options, fostering a collaborative environment

that empowers them to make informed decisions about their health. At Apollo Health City, Jubilee Hills , Dr. Iragavarapu is part of a multidisciplinary team that prioritizes patient safety and satisfaction. The hospital's state-of-the-art facilities and commitment to high-quality care align perfectly with his professional ethos. He is passionate about improving the lives of his patients through surgical intervention and is known for his meticulous attention to detail and dedication to achieving optimal results. With a warm and professional demeanor, Dr. Iragavarapu strives to create a supportive atmosphere where patients feel comfortable and confident in their care journey. Whether addressing complex GI issues or performing routine surgeries, he is committed to delivering exceptional healthcare tailored to the unique needs of each individual.
