Overview

Dr. Vivek Goel is a highly esteemed nephrologist based in Kolkata, bringing over 12 years of dedicated experience in the field of nephrology. His extensive educational background includes an MBBS, an M.D. in Internal Medicine, and a DNB in Nephrology, complemented by advanced training through the ESE Neph (MRCP Nephrology, UK) and MRCP (Part 2, UK). This robust academic foundation equips Dr. Goel with a comprehensive understanding of kidney health and related disorders, allowing him to provide exceptional care to his patients. At Apollo Multispeciality Hospitals in Kolkata, Dr. Goel is committed to delivering personalized and compassionate care. His clinical focus encompasses a wide range of nephrological conditions, including chronic kidney disease, hypertension, and electrolyte imbalances. Dr. Goel believes in a patient-centered approach, taking the time to listen to his patients' concerns and involving them in their treatment plans. He emphasizes the importance of education and preventive care, ensuring that his patients are well-informed about their conditions and the steps they can take to maintain their kidney health. Dr. Goel's association with Apollo Multispeciality Hospitals reflects his dedication to providing high-quality healthcare in a state-of-the-art facility. The hospital's commitment to excellence aligns with his own professional values, making it an ideal environment for him to practice. With a warm demeanor and a thorough understanding of nephrology, Dr. Vivek Goel is a trusted partner in health for his patients, guiding

them through their medical journeys with expertise and empathy.
