Overview

Dr. Soham Ghosh is a highly esteemed orthopaedic surgeon with over 17 years of dedicated experience in the field. Based in Kolkata, he is currently associated with Apollo Multispeciality Hospitals, where he has earned a reputation for his exceptional skills and compassionate patient care. Dr. Ghosh holds advanced degrees in MS (Orthopaedics) and MCh (Hand Surgery), equipping him with a robust foundation in both general orthopaedics and specialized hand surgery. His extensive training and experience enable him to address a wide range of musculoskeletal issues, from complex fractures to chronic conditions affecting the hands and upper extremities. Dr. Ghosh's clinical focus encompasses various aspects of orthopaedics, with a particular emphasis on hand surgery, joint replacement, and sports injuries. He is committed to staying at the forefront of medical advancements, continually updating his knowledge and techniques to provide the best possible outcomes for his patients. His approach to patient care is characterized by a deep understanding of individual needs, ensuring that each patient receives personalized treatment plans tailored to their specific conditions and lifestyle. Dr. Ghosh believes in fostering a collaborative environment where patients feel empowered to participate in their treatment journey, promoting not only recovery but also overall well-being. At Apollo Multispeciality Hospitals, Dr. Ghosh is part of a multidisciplinary team that prioritizes comprehensive care and innovative treatment options. His

association with this esteemed institution allows him to leverage state-of-the-art facilities and resources, ensuring that his patients receive the highest standard of care. With a warm demeanor and a steadfast commitment to excellence, Dr. Soham Ghosh is dedicated to improving the quality of life for his patients, helping them regain mobility and function with confidence.
