Overview

Ms. Shilpa Kamble is a dedicated and compassionate Genetic Counselor at Apollo Hospitals, Mumbai, located in Navi Mumbai. With five years of experience in the field, she has developed a profound understanding of genetic conditions and their implications for patients and families. Ms. Kamble holds a Master's degree in Biomedical Genetics, equipping her with the knowledge and skills necessary to navigate the complexities of genetic disorders. Her educational background, combined with her hands-on experience, allows her to provide comprehensive counseling and support to individuals seeking clarity about their genetic health. In her practice, Ms. Kamble focuses on a range of genetic issues, including hereditary conditions, prenatal genetic testing, and risk assessment for various genetic disorders. She is committed to empowering her patients through education, ensuring they understand their genetic risks and the available options for management and prevention. Ms. Kamble's approach to patient care is characterized by empathy and active listening, as she believes that each patient's journey is unique. By fostering a supportive environment, she encourages open communication, allowing patients to express their concerns and make informed decisions about their health. As a valued member of the Apollo Hospitals team, Ms. Kamble is dedicated to upholding the hospital's mission of providing exceptional healthcare. Her collaboration with a multidisciplinary team ensures that patients receive holistic care

tailored to their specific needs. At Apollo Hospitals, Mumbai, Ms. Kamble continues to make a significant impact in the field of genetic counseling, helping patients navigate their genetic health with confidence and compassion.
