Overview

Dr. Raghu Prasad Varma is a highly esteemed spine surgeon with over 20 years of dedicated experience in the field of orthopedics. Based at Apollo Hospitals, Mumbai in Navi Mumbai, Dr. Varma has built a reputation for excellence in spine surgery, combining his extensive knowledge with a compassionate approach to patient care. His educational qualifications, which include an MBBS, MS, and DNB, provide him with a solid foundation in medical science and surgical techniques, enabling him to deliver the highest standard of care to his patients. Throughout his career, Dr. Varma has focused on a wide range of spinal disorders, including degenerative diseases, trauma, and complex spinal deformities. His clinical expertise encompasses both surgical and non-surgical treatment options, ensuring that each patient receives a personalized care plan tailored to their specific needs. Dr. Varma believes in fostering a collaborative relationship with his patients, taking the time to listen to their concerns and educate them about their conditions and treatment options. This patient-centered approach not only helps in alleviating anxiety but also empowers patients to make informed decisions about their health. At Apollo Hospitals, Mumbai, Dr. Varma is part of a multidisciplinary team that is committed to providing comprehensive care in a state-of-the-art environment. His association with this prestigious institution allows him to leverage advanced technology and innovative techniques in spine surgery, ensuring optimal outcomes for his patients. Dr.

Varma's dedication to continuous learning and professional development keeps him at the forefront of advancements in spine care, making him a trusted choice for individuals seeking expert treatment for their spinal health.
