Overview

Dr. Pawanindra Lal is a highly accomplished General Surgeon at Apollo Hospitals Indraprastha, Delhi, bringing over 31 years of extensive clinical experience. He holds an impressive array of qualifications, including MS, DNB, FCLS, FRCS (Edinburgh, Glasgow, England, Ireland), FACS, FAMS, and FFSTEd—testament to his surgical expertise and academic excellence.

He specializes in a wide range of general surgical procedures with a strong emphasis on minimally invasive techniques. His key areas of expertise include laparoscopic surgeries, hernia repairs, gallbladder surgeries, and complex abdominal procedures. Known for his precision and patient-centered approach, Dr. Lal combines clinical skill with advanced surgical technology to deliver the best outcomes for his patients. In addition to his surgical practice, Dr. Lal is actively involved in medical education and research. He frequently participates in national and international conferences, sharing knowledge and learning from global peers. He is also committed to mentoring young surgeons and advancing best practices in general surgery.

Fluent in English, Hindi, Punjabi, and Dogri, Dr. Lal ensures effective communication with patients from diverse backgrounds. His dedication to compassionate care, coupled with decades of surgical expertise, makes him a trusted and respected name in general surgery.
