Overview

Dr. Simmy Chaudhary is an experienced Ophthalmologist at Apollo Health City, Jubilee Hills, Hyderabad, with over 10 years of clinical expertise in eye care. She holds an MBBS from University College of Medical Sciences, Delhi University, an MS in Ophthalmology from Guru Nanak Eye Centre, Maulana Azad Medical College, Delhi University, and a prestigious Fellowship in Cornea and Anterior Segment from LV Prasad Eye Institute, Hyderabad.

Dr. Chaudhary specializes in a wide range of ophthalmic procedures, with particular expertise in cataract surgery (Phacoemulsification, SICS, ECCE, Toric and Multifocal IOLs), corneal transplants (PK, DALK, DSAEK, DMEK), and ocular surface disease management including dry eye, Sjögren's Syndrome, Stevens-Johnson Syndrome, and chemical injuries. She is also proficient in advanced refractive surgeries such as LASIK, PRK, SMILE, and Phakic IOLs.

With a strong academic foundation, Dr. Chaudhary has published extensively in reputed national and international journals. Her research spans critical areas such as ocular surface reconstruction, scleral lens fitting, and keratoplasty techniques. She has received accolades for her work, including the Best Free Paper Presentation Award at TraumaCon 2022.

An active speaker at national and international ophthalmology conferences, Dr. Chaudhary is also deeply involved in teaching, mentoring, and conducting instruction courses at various professional forums. Fluent in English, Hindi, and Telugu, she is known for her compassionate and patient-centric approach, making her a trusted name in the field of ophthalmology.
